

Accelerating Business, Accelerating Careers

## Integrity. Credibility. Expertise.

### Our People

Founded by a core group of industry experts with 20-25+ years of experience each, **the Xela Group provides IT talent and solutions that reduce your hiring lifecycle and drive collective success.** Our leadership team and tenured recruiters have vast experience working with executives and technology departments to develop resource strategies, build technology solutions, and map needs to market conditions. We have a strong commitment to diversity and operate at the highest standard of ethical behavior with our stakeholders, our clients and our workforce.

### Our Process

We listen to you. Then we customize a solution based on your needs. We offer flexible engagement models that can be tailored to your hiring criteria and that eliminate unnecessary operational barriers. Through best-in-class technology, technical screening and a targeted selection process, we identify and select IT talent that align with your company's vision, initiatives and goals. By investing our time to understand your business, we are able to significantly increase successful pairing on the candidates we submit and best serve as your advocate and strategic partner.

### Our Talent

We supply talent to fill a wide range of positions along the IT vertical, including:

- Project/Program Managers
- Developers and Architects
- Quality Assurance
- Business Analysis
- Infrastructure and Networking
- Information Security and Cybersecurity
- Business Intelligence, Data Management and Analytics
- Cloud Enablement
- Mobile Application Development
- Digital Applications
- Enterprise Applications
- ERP (Enterprise Resource Planning) and HCM (Human Capital Management)
- CRM (Customer Relationship Management)

# INTEGRITY. CREDIBILITY. EXPERTISE.
